

Search, Compare, Decide

When shoppers are in the market to make a purchase – from business software to home appliances to electronics or mobile technology – **TopTenREVIEWS** is the first (virtual) stop on the shopping trip.

Wallets Out, Ready to Buy

Millions of visitors every month rely on the Top10 Lists, side-by-side comparisons, news, video and Buying Guides to make smart purchase decisions. From the best anti-virus software to refrigerator reviews --from meal planning software to gadgets for a home theatre system, shoppers know where to go for up-to-date information they can trust.

Targeting Delivers Results

Combining advanced targeting solutions with a large, engaged audience delivers powerful results. Targeting on **TopTenREVIEWS** allows advertisers to buy contextually across current and in-depth content and to benefit from the power of results-based optimization. Targeting options include contextual, behavioral, demographic, psychographic and more.
